

Dr. Monique Rolle

Dr. Monique Rolle joined the practice in July 2011. Born and raised in Richmond, Virginia, she received her undergraduate education at Howard University, Masters of Education at The George Washington University, and her medical education at Temple University. Dr. Rolle completed her rigorous four-year surgical training at New York Hospital of Queens in Flushing, New York--an affiliate of the Weill Cornell Medical College of Columbia University. She is on staff at Inova Fair Oaks Hospital, Inova Alexandria, and Inova Mount Vernon hospitals. She is also a staff physician for The Wound Healing Center at Mount Vernon Hospital. Dr. Rolle is board eligible by the American Board of Podiatric Surgery. Her interests include diabetic limb salvage and reconstructive foot and ankle surgery. In her spare time, Dr. Rolle enjoys running, spinning, and spending time with family and friends.
